

*Statement by former Rep. Bob Livingston and Lanny J Davis on representing Libya Field Marshall Khalifa Haftar:*

Our lobbying mission, as summarized in our FARA filing, is limited to expressing Field Marshal Khalifa Haftar's support of free and fair, UN-supervised elections on December 24 - to facilitate a peaceful, stable, unified, democratic Libya, under the rule of law.

We were told by the Field Marshal's senior advisor that the Field Marshal categorically denies all allegations about him in the unproven Virginia complaint filed in court some time ago and that he is confident he will prove these allegations to be false and without basis in fact.

Livingston and Davis added that without that categorical denial they would not have undertaken this representation.

We reiterate that our sole message is that Field Marshal Haftar supports the UN reconciliation and unity process in Libya and the holding of the December 24 UN-scheduled election on a fair, free and supervised basis – consistent with democracy and the rule of law and honoring human rights for all men and women. We also reiterate the fact that the Field Marshall has consistently opposed radical Islamic extremists in Libya and elsewhere, including ISIS, Al Qaeda and the Muslim Brotherhood.
